We pride ourselves in having the skills and knowledge based on best industry practices that enable us to provide a myriad of solutions for business strategy to the most functional and operative areas.

Bakkah in Numbers

Course Objective

The MSP Foundation certification introduces the Managing Successful Programmes (MSP) method and terminology. Foundation certification ensures you understand the MSP guidance well enough to work in a team to deliver or manage a programme.

- Become a better program manager
- Project yourself as a global professional
- MSP® is a common language for effective program management
- Widely applicable knowledge

Course Methodology

Online Training

-  5 Days - Online Training
-  Pre & Post Assessment
-  Exam Simulation
-  Practice Test
-  Group activities after each lesson
-  Access to additional references – Glossary/Recommended Reading
-  Material language will be in English

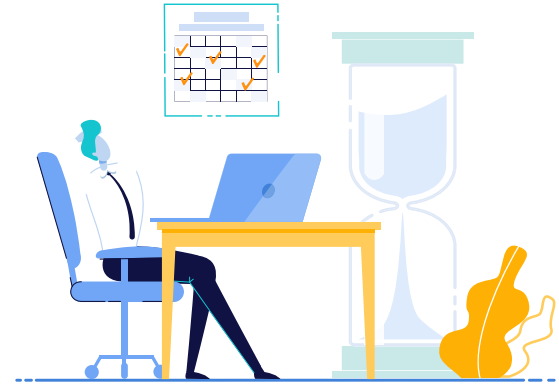

Targeted Audience

MSP® Foundation is for individuals who are interested in learning how to manage multiple projects and programmes successfully. It is designed to support programme or project managers, people working in a programme office, business change managers, and programme and project delivery team members who wish to gain a greater understanding of the MSP guidance to work more effectively in large scale project or programme environments.
