Course Objective

The PRINCE2 Agile® certification scheme has been developed to offer two levels of certification, Foundation and Practitioner.

The PRINCE2 Agile Foundation certificate is designed to help professionals deliver agile projects by tailoring PRINCE2 management controls with a broad toolset of agile delivery techniques and frameworks.

PRINCE2 Agile® Practitioner combines agile concepts with the world's most popular approach to project management. Developed in response to user demand, the PRINCE2 Agile Practitioner certification teaches you to blend structure, governance and control with agile methods, techniques and approaches.
