Course Objective

The MSP Foundation certification introduces the Managing Successful Programmes (MSP) method and terminology. Foundation certification ensures you understand the MSP guidance well enough to work in a team to deliver or manage a programme.

- Become a better program manager
- Project yourself as a global professional
- MSP® is a common language for effective program management
- Widely applicable knowledge

Course Methodology

Online Training

-  5 Days - Online Training
-  Pre & Post Assessment
-  Exam Simulation
-  Practice Test
-  Group activities after each lesson
-  Access to additional references – Glossary/Recommended Reading
-  Material language will be in English

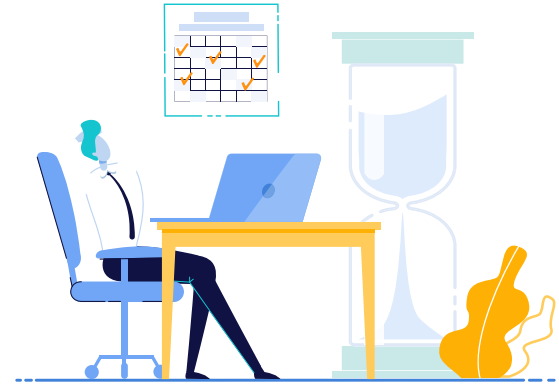

Targeted Audience

MSP® Foundation is for individuals who are interested in learning how to manage multiple projects and programmes successfully. It is designed to support programme or project managers, people working in a programme office, business change managers, and programme and project delivery team members who wish to gain a greater understanding of the MSP guidance to work more effectively in large scale project or programme environments.
